Ruben Caballero

Is owned and operated by Ruben Caballero guiding hunting and fishing trips for 25 years in the San Fernando Valley. offering the finest combination of whitewinged and mourning dove, wild bobwhite quail, ducks and goose. His experience, personal attention and knowledge of the area and his advance scouting ensure the control of the best locations and leases.

Doves

Hot Barrel Whitewinged and mourning dove. Our area is the largest whitewinged population in the north of Mexico. The farming operation in the valley provides vest

fields of sorghum, corn and wild food in the brush plus water holes create a natural habitat for white winged and flight after flight of mourning dove. Keep stocked with ammo and cold beverage whenever you are thirsty.

Ducks

For many years we offering to our clients the 14 varieties species of decoying ducks-pintail, red head, widgeon, 3 species of teals, gad wall, tree ducks, the most reliable and steady hunt. The preparation and scouting of the unique areas gives an excellent result. We still have very liberal limits. Shooting is from dry blinds 120-140 over big spread of decoys, well placed, usually one or two person to a blind. A bird boy to recovery ducks. We cover the most and best premier land.

Quail

San Fernando valley fields offer some of the BEST challenging hunting for wild bob white quail in north America. Hunts are made along the fence rows, brush lines and wild open grass fields. The PUSH-BRUSH operation by bird boys make unique with the knowledge of the fields. Our birdboys are attentive and bring most of the downed birds. You'll flush 20 to 30 coveys per day and you don't have to get up before dawn to do it.

Goose

Hunting is absolutely phenomenal with the concentration of birds that will stagger any imagination. Fields are prescouted daily to ensure the very best shooting. Hunting is from individual pits using large spread of decoys or freshwater ponds, there are speckled bellies, snow, blues and ross. You'll truly have to experience it to believe it.
