

Hunting Packages

The hunting operation is located 85 miles south of the border (McAllen or Brownsville, Tx). It is only a one and half hour drive from the US border.

The combination of these hunts includes white-wing, mourning dove, quail, geese and ducks.

The dove hunts are prepared in sunflowers, sorghum, corn fields and water ponds exclusively for our customers.

The quail hunt is pre-scouted 2 or 3 days before in the grass, sorghum, corn field or hedgerow. Our super duck hunt offers you the opportunity to successfully travel to exclusive and private ranches with fresh water ponds and a large number of blinds, 70% of duck land available in the area. Fourteen different species of duck, all 3 species of teal, read-heads, widgeons, pintail, black duck etc.

The Hacienda Lodge consists of 32 double bedrooms, air conditioner, hot water, wireless internet, maid service and open bar. The kitchen serves three outstanding American and Mexican style meals per day and also wild game exquisitely prepared by our chef.

These are the prices for the 2016-2017 season including lodging, licenses, meals, open bar, transportation, hunts, cleaning and packing of birds.
